Week 10

Phonics - Lesson 1

Do you notice anything about one of the sounds in all of these words ?

come

love

done

above

Can you hear a similar sound in all of the words ?

When you say the words you pronounce the **o** as an **u** sound.

When you write the words you have to write **o**.

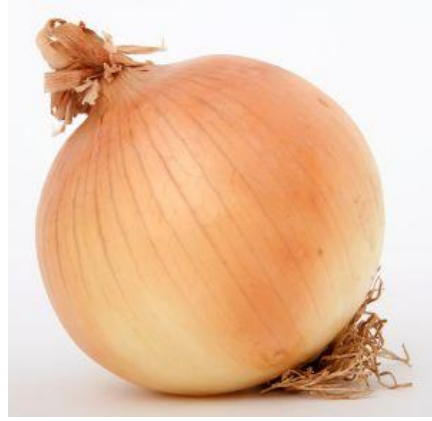

Task -

Have a look at the pictures, can you guess what they are ?

Remember they are all words with an **o** written but it makes an **'u'** sound when pronounced.

Listen to the words and put up your thumbs when you hear the **'u'** sound that is spelt with an **o** when written down.
Practise spelling some of today's words.

THE STORY OF NEIL ARMSTRONG

Reading can help us find out about famous people in history and what they have achieved.

On the 21st of July 1969, **Neil Armstrong** became the **first man to walk on the Moon**. Part of the Apollo 11 space mission, Neil Armstrong went to the Moon alongside Buzz Aldrin and Michael Collins. Before becoming an astronaut, Neil Armstrong flew fighter planes for the American Navy.

Can you think of your own questions to find out all about
Neil Armstrong and his life?

Remember to use a question mark when you are asking a question
to find something out.

Try and use these words to help you write your own questions.

Who? What? When? Why? How?

Phonics - Lesson 2

What does this word say ?

other

Today we are learning about when the u sound is spelt with an 'o'.

Sometimes words that sound the same have the same spelling pattern and this can help you to learn to spell the word.

English - Lesson 5

Today you will continue doing Guided Reading. You will be reading in a group and taking it in turns to read aloud and answer questions.

English - Lesson 5

You might be asked to read a short story about Space and answer some questions.

My Alien Friend

9 Did I ever tell you about the time that
18 an alien landed in my garden? It was a
24 warm, sunny day. I saw a
29 rocket in the pond. There
34 was smoke coming out of
39 it. A very strange creature
45 was standing next to it and
51 it looked quite cross. It had
57 a blue, furry body and green
61 skin. I went outside.

68 "Can I help you?" I asked shyly.
74 "My rocket has crashed!" he said.
80 I found some tools and helped
86 him to fix his broken rocket.
94 "Thank you!" said the alien with a big
103 grin. Then he blasted off in his rocket. A
112 few days later, I found a parcel on my
113 windowsill...

Quick Questions

1. Write down one word which means the same as **angry**.

2. Where did the rocket land in the garden?

3. How do you think the person telling the story felt when they saw the alien?

4. What do you think was in the parcel?

Ant the Astronaut's Trip to Space

10 I felt very excited. I floated to the window of
19 the space station. What a beautiful sight it was!
26 There were so many twinkling, sparkling stars
34 shining all around me. What was the wonderful
44 place that I could see below me? It was blue
53 and green and there were swirls of white all
63 around it. The blue was the colour of the sea.
73 I couldn't stop looking at it. Suddenly, I saw a
83 flash of bright light dance across the sky. Then it
91 disappeared. Was it a shooting star, an asteroid
98 or could it have been something else...?

Quick Questions

1. How was Ant the Astronaut feeling?

2. Write down two words that describe the stars.

3. What do you think the astronaut could see below him?

4. Number these lines from 1-3 in the order they appear in the text.

- The blue was the colour of the sea.
- I floated to the window of the space station.
- What a beautiful sight it was!
