

Biggest known lottery win up for grabs!

£485 million is the recent estimate of our national Dodge Ball lottery jackpot. But who will win this huge April late-night Monday money jackpot?

The Dodge Ball lottery is a monthly draw which has been running since Bridge City set it up last year. The last known and most recent draw netted an enormous £20 million but tomorrow's draw will top them all!

A local resident has been quoted saying, 'I knew it was going to be big because there were long queues outside the lottery shops. They even knocked on the doors after the closed sign was put up.'

Well, the excitement is really hotting up and most people cannot wait until the draw.

As soon as we know the result we'll write to let you know more!
