## My healthy fruit and vegetable picture design

| It was easy to                  |  |
|---------------------------------|--|
| ,                               |  |
|                                 |  |
|                                 |  |
| It was hard to                  |  |
|                                 |  |
|                                 |  |
|                                 |  |
| I enjoyed                       |  |
|                                 |  |
|                                 |  |
| To about he alklooms aloud door | nanting of facility and an extension day |
| To stay healthy we should eat   | portions of fruits and vegetables a day. |
|                                 |  |
| 1                               |  |
