

# South America

## Learning Objective:

To carry out an in-depth study of a South American country.

NEXT

What have  
we found out  
about South  
America so far?

**BACK**

**NEXT**

Today you are going to be finding out about a particular South American country.

How many of the countries and territories can you name?

PERU

ARGENTINA

BOLIVIA

FALKLAND ISLANDS

VENEZUELA

BRAZIL

Did you get  
them all?!

BACK

NEXT

Imagine that you have been asked to write an information book on a South American country.

What kind of information would you need to include?

What questions would you need to investigate?

BACK

NEXT

What ideas did you think of? Let's write a list...
