

Career Interests

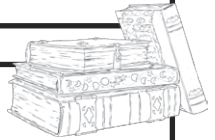

What things make you feel happy?

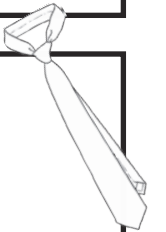

What skills do you feel you have or feel you would like to develop?

What interests do you have?

Do you have any experiences of work or opportunities for experiences that could help with a job?

What subjects do you enjoy in school?

This resource is fully in line with the Learning Outcomes and Core Themes outlined in the PSHE Association [Programme of Study](#).

Which areas of work sound appealing to you?

Think about a job or career you would like to do when you are older.

How could you develop your skills further for this job?

How could you gain more experience for this job?

What different career paths could you follow for this job? If you're not sure, can you find out?
